WHOSE FAULT IS IT, 'JUDGE YET'

Scores of people in this city are dying of Consumption who might be cured by Dr. Shade, 1232 14th st., as were Drs. Phillips and Patterson, 52 B st. ne.; Mr. Brown, 1408 Corcoran st: Mrs. Welborne, 3398 Sheridan ave.,

and many others, who declare that Dr Shade cured them of Consumption after their family
physicians gave them up to die. But it seems
that some people would rather abide by their
prejudices and die under a so-called regular

The Recent Phythian Encampment—The executive committee of the supreme lodge of the Knights of Pythias of the District met in the Warder Building last nightland discussed matters of interest to members of the order. The principal business was the discussion of means to raise a sum sufficient to pay the debt of \$1,700 still due on account of the recent encampment. It was decided that every member of the order in the District should take some part in the efforts to clear the debt by contributions. It is probable that a fair may be held soon to aid in raising the necessary funds.
